

A LDI Training Course

DEVELOPING YOUR POTENTIAL FOR SUCCESS

by

LDI Instructor

Introduction

Excellence in today's highly competitive workplace demands more than a thorough knowledge of your specialist field. People skills such as the ability to motivate and inspire others and the ability to work in a team are of critical importance. Equally vital is mastering a range of practical skills from effective communication to time management. Being confident and determined and professional are the traits of a true leader.

A balanced mix of all these elements is what differentiates between competent and an outstanding manager.

This three-day workshop will provide participants with a comprehensive grounding in all these areas.

Objectives

After completion of this workshop participants will know how to build on their own strengths and to develop personal qualities that are key for outstanding performance.

Benefit of Attending
