PERSONAL POWER and LEADERSHIP

Achieving Positive Results Through People

INTRODUCTION

People in leadership positions are facing an increasingly challenging environment created by intense competition, rapid changes, and technological advances. To navigate successfully in this environment, leaders need the right skills, mindset, strength, and confidence to lead.

A good leader is one who can get positive results by setting direction and generate actions. In this course, you will have the opportunity to discover your supervisory and leadership potential and to develop it fully.

Here are your benefits of attending this training:

- Gain new insights, new skills, and new knowledge to become a more competent and confident team leader, supervisor, and manager
- Develop your potential and your leadership effectiveness
- Enhance your ability to lead effectively, skillfully, and responsibly with or without formal authority.
- Understand your roles as a leader
- Able to formulate and communicate goals
- Inspire your people to get the results you want

This Personal Power and Leadership training is ideal for anyone in a supervisory or managerial role, team leaders and people who have just stepped up to a new position.

“A leader is one who knows the way, goes the way, and shows the way.” John C. Maxwell
