

An LDI Training Course

PERSONAL POWER and LEADERSHIP

Sharpening Your Leadership Effectiveness

by

Dr. Ir. Amelia Naim Indraajaya, MBA

INTRODUCTION

People in leadership positions are facing an increasingly challenging environment created by intense competition, rapid changes, and technological advances. To navigate successfully in this environment, leaders need the right skills, mindset, strength, and confidence to lead.

A good leader is one who can get positive results by setting direction and generate actions. In this course, you will have the opportunity to discover your supervisory and leadership potential and to develop it fully.

Here are your benefits of attending this training:

- Gain new insights, new skills, and new knowledge to become a more competent and confident team leader, supervisor, and manager
- Develop your potential and your leadership effectiveness
- Enhance your ability to lead effectively with or without formal authority.
- Understand your roles as a leader
- Able to formulate and communicate goals
- Achieve positive results through people
- Create strong teamwork

This leadership training is ideal for anyone in a supervisory role, for people who have just stepped up to a new position, and for more experienced managers who want to keep on top of their game.

"A leader is one who knows the way, goes the way, and shows the way." John C. Maxwell
